## The Leadership Academy program

Skytrans sponsors the Cape York Institute's **Leadership Academy** program. This program aims to give aspiring leaders the support they need to have a positive impact in their own communities.

The Academy program currently supports the activities of 90 individuals from a range of communities including the following serviced by Skytrans; Aurukun, Cairns, Coen, Doomadgee, Hopevale, Kowanyama, Lockhart River, Northern Peninsula Area and Pormpuraaw.

The Leadership Academy, an initiative of the Cape York Institute for Policy and Leadership, offers a model of leadership development that is innovative and radically more comprehensive than current alternatives. The program focuses on the individual rather than collective professional development.
