TORRES STRAIT ISLAND REGIONAL COUNCIL – ISLAND ALCOHOL PERMIT SYSTEM

I wish to advise that alcohol permit systems are managed by community protocol, separate to Council with the endorsement of island leadership. Those communities wishing to continue to monitor movement of alcohol into communities via the permit system are as follows (subject to revised notification at a later time):

1. Dauan
2. Warraber
3. Saibai
4. Erub
5. Iama

All other communities do not presently require alcohol permits.

Yours sincerely
